It was not merely an external smile of official politeness, a "Well, this boy did learn at last to tame his anger and control his power. And a very great power it was. Whatever art he studied came easy to him, too easy, so that he despised illusion, and weatherworking, and even healing, because they held no fear, no challenge to him. He saw no virtue in himself for his mastery of them. So, after the Archmage Nemmerle had given him his name, the boy set his will on the great and dangerous art of summoning. And he studied with the Master of that art for a long time.. "Where?" "What brought you here, Azver?" the Namer asked. "I've often thought of asking you. A long, long way to come. And you have no wizards in the Kargish lands, I think." .said. "It's at daybreak a name should be given. And then there ought to be music and feasting and nations in our kaleidoscopic atlases, and some are more enduring..like diamonds..Hemlock nodded. "That is quite understandable, among children. And quite impossible now. Do you understand that?" "No," Diamond said.. "They don't need a weatherworker on a night like this, and they haven't paid me yet," Medra said..
