something unexpected was about to take place, "May I remind the assembly that the declaration of a state of emergency has never been revoked, and that therefore, by the processes that we are still formally pledged to uphold, that emergency condition continues to remain in force, along with its attendant suspension of Congress and the vesting of all congressional authority in me." Puzzled expressions greeted his words, and a ripple of surprised murmurings ran around the hall. "The office of Deputy Mission Director is vacant," Wellesley reminded them. "Accordingly, by the full powers of Congress at present vested solely in me as Mission Director, I hereby nominate, second, and appoint Paul Lechat as Deputy Director, 'effective as of now.'" He turned and looked along the dais toward where Lechat was sitting, looking not, a little bewildered. "Congratulations, Paul. And now would you kindly take your rightful place." He gestured at the empty chair next to him. Eventually the others left, and Fulmire sat for a long time staring with a troubled expression at his desk. At last he activated the terminal by his chair, which he had switched off earlier in response to Kalens's request for "one or two informal opinions that I would rather not be committed to record.".Mrs. D?".Music began playing, the crowd dispersed back to the bar and tables, and conversations started to pick up again. Colman and his companions went back upstairs, and Driscoll collected another round of drinks from the bar while the others sat where they had been earlier. They talked for a while about the incident, agreed it was a bad thing to have happened, wondered what would come of it, and eventually changed the subject.. "So who did your stepfather kill?" she asked nevertheless, playing Leilani's curious game if for no reason.Jean spun round and ran back to the elevator. Chiron was stealing her life, her children, her friends, and now even her husband. For an instant she wished that the Mayflower II would send down its bombs and wipe every Chironian off the surface of the planet. Then they would be able to begin again, cleanly and decently. Ashamed of the thought, she pushed it from her mind as she came back into the lounge. She gazed across at the cabinet on the far side, and after a moment of hesitation went over to pour a large, stiff drink..Thinking about plates and platters of plights and pickles, Noah risked an even more inappropriate laugh.He has found hope. That crossed my mind too, but what is there to provoke any real trouble? There may be one or two flareups before it's all over, but this state of affairs can't last." He shook his head. "We're convinced 'this is the only way to go. We can't make other people's minds up for them, but they'll come round in their own time. Anything else would cause worse problems.".tensed, ready to follow his lead..Amused, the trucker cocks his head and says, "You yankin' my chain, young fella?".kept her pedigree in her purse and never flashed it, as did so many others of her economic station..In the Mayflower II's Communications Center, Borfein, Wellesley, and the others who had been coordinating activities all over the ship and down on the surface watched and listened tensely as pandemonium poured from the screens around them, Spacesuited figures were cartwheeling away from the mangled remains of one feeder ramp, and the exposed interiors of the cupolas at the ends of the others; all showed battle damage and one of them was partly blown away. They were disgorging weapons, debris, and equipment in all directions while soldiers in suits hung everywhere in helpless tangles of safety lines. "Launch every personnel carrier, service pod, ferry, and anything else that's ready to go," Borfein snapped to one of his staff. "Get them from Vandenberg or anywhere else you have to. I want every one of those men picked up. Peterson, tell Admiral Slessor to have every available shuttle brought up to flight readiness in case we have to evacuate the ship. And find out how many more we can get up here from Canaveral.".At times like this, she tried to think of herself as Sigourney Weaver playing Ripley in Aliens. Your hands.Colman exhaled a long breath.
