"Oh, they'll come for the glory," said the harper, a lean, long-jawed, wall-eyed fellow of forty. "Maybe you'll have a go with us yourself, then? You had a hand for it, before you took to making money. And the voice not bad, if you'd worked on it." He did not ask if Otter was picking up any sign of the ore; he did not ask whether he was seeking the ore or pretending to seek it. Otter himself could not have answered the question. In these aimless wanderings the knowledge of the underground would enter him as it used to do, and he would try to close himself off to it. "I will not work in the service of evil!" he told himself. Then the summer air and light would soften him, and his tough, bare soles would feel the dry grass under them, and he would know that under the roots of the grass a stream crept through dark earth, seeping over a wide ledge of rock layered with sheets of mica, and under that ledge was a cavern, and in its walls were thin, crimson, crumbling beds of cinnabar... He made no sign. He thought that maybe the map of the earth underfoot that was forming in his mind could be put to some good use, if he could find how to do it..He slept till late in the morning and woke as if from illness, weak and

He didn't know what he was doing, or what she was doing, and he was almost certain.Magic was a wild talent before the time of Morred, who as both king and mage established intellectual and moral discipline for the art magic, gathering wizards to work together at the court for the general good and to study the ethical bases and constraints of their practice..THE KARGAD LANDS.The rain had ceased, though mist still hid the peak and shreds of cloud drifted through the high forests. Dulse was not a tireless walker like Silence, who would have spent his life wandering in the forests of Gont Mountain if he could; but he had been born in Re Albi and knew the roads and ways around it as part of himself. He took the shortcut at Rissi's well and came out before midday on Semere's high pasture, a level step on the mountainside. A mile below it, all sunlit now, the farm buildings stood in the lee of a hill, across which a flock of sheep moved like a cloud-shadow. Gont Port and its bay were hidden under the steep, knotted hills that stood above the city..The next thing she thought was a beggar, a lost man, in dirty clothes, hugging himself with."Are there still marriages?".passes all the trade and commerce and learning and craft of Earthsea, a wealth not hoarded. It was Ogion they."I don't see why," she said. "My mother can cure a fever and ease a childbirth and find a lost ring, maybe that's nothing compared to what the wizards and the dragonlords can do, but it's not nothing, all the same. And she didn't give up anything for it. Having me didn't stop her. She had me so that she could learn how to do it! Just because I learned how to play music from you, did I have to give up saying spells? I can bring a fever down now too. Why should you have to stop doing one thing so you can do the other?".This time the Doorkeeper nodded. He smiled faintly and said, "So it would seem..".
