She was silent. I forced myself to look away from her. Inside that other room, the. If the young sorcerer was seeking experience, he did not get much at Westpool. Whenever Birch had. "And now?" among the women who practiced magic. "Do that," the old mage said. "I think I've found my little finder," said Gelluk. His voice was deep and soft, like the notes of. summon them, in spirit or in flesh, to come to us. Only the dead may we summon. Only the shadows. The breeze was moving again slightly; she could hear a bare whispering among the oaks. "A little," she said. "The key," Gelluk repeated, urgent. I gave up. little, small spell, to send the rain on round the mountain. His bones ached. They ached for the. dying, and went on. She said nothing, laying out what was in the basket, dividing it for the two of them. "Are you hurt too?" "Tonight," Dragonfly said. "At our spring, under Iria Hill. What he doesn't know won't hurt him." Her voice was half-coaxing, half-savage. When it came to teaching what he knew, he was tireless, generous, and exacting. For the first time, Medra was given a vision of magic not as a set of strange gifts and reasonless acts, but as an art and a craft, which could be known truly with long study and used rightly after long practice, though even then it would never lose its strangeness. Highdrake's mastery of spells and sorcery was not much greater than his pupil's, but he had clear in his mind the idea of something very much greater, the wholeness of knowledge. And that made him a mage. So said Ember, his fierce, black-browed teacher. III. Tern. down in his mind and be hidden and layered over with a thousand useful or beautiful or. shadows of the leaves. and the infinite familiarity of the village lane, Rose's front yard, her own seven milch ewes. and crouched down by the enormous, hunching roots of a willow that leaned out over the water. The. He found a carter who would carry them down to Endlane, Otter's mother and sister were living with cousins while they rebuilt their burned house as best they could. They welcomed him with disbelieving joy. Not knowing Hound's connection with the warlord and his wizard, they treated him as one of themselves, the good man who had found poor Otter half dead in the forest and brought him home. A wise man, said Otter's mother Rose, surely a wise man. Nothing was too good for such a man. guess, foretell, fear, hope, but I didn't know. something else, a peculiar, bitter taste. He had not thought. He had taken the shape that came soonest to him, run to the river as an otter would, swum as the otter would swim. But only in his own form could he think as a man, hide, decide, act as a man or as a wizard against the wizard who hunted him. "Father, I don't want a party," Diamond said and stood up, shivering his muscles like a horse. He was bigger than Golden now, and when he moved abruptly it was startling. "I'll go to Easthill," he said, and left the room. "But the spirit of rivalry worked in the boy as he grew to be a man. It's a strong spirit on Roke: always to do better than the others, always to be first. The art becomes a contest, a game. The end becomes a means to an end less than itself. There was no man there more greatly gifted than this man, yet if any did better than he in any thing, he found it hard to bear. It frightened him, it galled him. warmth and weight of her touch that he had wasted so much time wanting. "Do you know the way in?" His almond-shaped eyes were attentive, yet seemed to look at her from miles or years away. the bay, over the little town and a half-finished building on the slope above it, to the top of. doing what they could to keep the few roads out from becoming choked and murderous with panicky. had not come from Roke to trudge about on foot in the mud and dust of country byways. photography? He was sitting a little way from where he lay, looking at himself, although it was still utterly dark. He lay huddled and crumpled near where the little seep-stream dripped from the ledge of mica. Not far away lay another huddled heap, rotted red silk, long hair, bones. Beyond it the cavern stretched away. He could see that its rooms and passages went much farther than he had known. He saw it with the same uncaring interest with which he saw Tinaral's body and his own body. He felt a mild regret. It was only fair that he should die here with the man he had killed. It was right. Nothing was wrong. But something in him ached, not the sharp body pain, a long ache, lifelong. the weather was settled so mild, they had put up the mast and big square sail. The ship drifted. where did it turn false; how the balance of things was kept or lost; what crafts were needful. "I'll stay if you want, Elehal." the King, and the Allking, and the Body of the Moon." His gaze, benevolent and inquisitive, passed. The cowboys were discussing whether or not it was safe to eat the meat of a steer dead of the murrain. The supply of food they had brought, meager to start with, was about to run out. Instead of riding twenty or thirty miles to restock, they wanted to cut the tongue out of a steer that had died nearby that morning.
