"Well, that won't do," said the stranger pleasantly. "I can't be bringing on a birth untimely. Is there maybe a room above the tavern?". Old Hardic differs in vocabulary and pronunciation from the current speech, but the rote learning and regular speaking and hearing of the classics keeps the archaic language meaningful (and probably puts some brake on linguistic drift in daily speech), while the Hardic runes, like Chinese characters, can accommodate widely varying pronunciations and shifts of meaning..drew back a little. She drew back. They sat back on their ankles..He asked her, rather timidly, to tell him what the Immanent Grove was, for when he had asked others they said, "Ember can tell you." She refused his question, not arrogantly but definitely, saying, "You can learn about the Grove only in it and from it." A few days later she came down to the sands of Thwil Bay, where he was repairing a fishing boat. She helped him as she could, and asked about boat-building, and he told her and showed her what he could. It was a peaceful afternoon, but after it she went off in her abrupt way. He felt some awe of her; she was incalculable. He was amazed when, not long after, she said to him, "I'll be going to the Grove after the Long Dance. What did it matter if he was mad? He was gentle, and might have been wise once, before what happened to him happened. And he wasn't so mad as all that. Mad in patches, mad at moments. Nothing in him was whole, not even his madness. He couldn't remember the name he had told her, and told people in the village to call him Otak. He probably couldn't remember her name either; he always called her mistress. But maybe that was his courtesy. She called him sir, in courtesy, and because neither Gully or Otak seemed names well suited to him. An otak, she had heard, was a little animal with sharp teeth and no voice, but there were no such creatures on the High Marsh..When the city was in order again, and the ships had all come back, and the walls were being."Would you like some fresh curds? It makes a good breakfast." She was eyeing him, but not for long, and not meeting his eyes. Like an animal, like a cat, she was, sizing him up but not challenging. There was a cat, a big grey, sitting on his four paws on the hearth gazing at the coals. Irioth accepted the bowl and spoon she

handed him and sat down on the settle. The cat jumped up beside him and purred..out, past the Armed Cliffs! Good luck to you." And he turned and ran back up the street, a tall, the hill. Another time he said, "My words are nothing. Hear the leaves." That was all he said that could be called teaching. As she walked, she listened to the leaves when the wind rustled them or stormed in the crowns of the trees; she watched the shadows play, and thought about the roots of the trees down in the darkness of the earth. She was utterly content to be there. Yet always, without discontent or urgency, she felt that she was waiting. And that silent expectancy was deepest and clearest when she came out of the shelter of the woods and saw the open sky.."The watermetal," Otter said.."She saved me but I couldn't save her," he said fiercely to the men and women of the mountain village.
