He stepped out onto the dock, then hurried up the path.Colman frowned to himself as his mind raced over the data's significance. No sane attacking force would contemplate taking an objective like that by a direct frontal assault in the center--the lowermost stretch of the trail was too well covered by overlooking slopes, and there would be no way back if the attack bogged down. That was what the enemy commander would have thought anyone would have thought. So what would be the point of tying up lots of men to defend a point that would never be attacked? According to the book, the correct way to attack the bunker would be along the stream from above or by crossing the stream below and coming down from the spur on the far side. So the other side was concentrating at points above both of the obvious assault routes and setting themselves up to ambush whichever attack should materialize. But in the meantime they were wide open in the middle.. "You have done very well," said the grey man pointing to the wall where he had hung the first two pieces of the mirror together. Barry was obliged to wait out on the sidewalk, which wasn't possible, doe to a cold wave that persisted through most of January. He left a message at the Apollo Theater, where the pageant was held, giving three different times he would be waiting for her at Intensity Five. She never showed. By mid-February, he'd begun to be alarmed. Early one morning, defying the weather, he posted himself outside her building and waited (five miserable hours) till she appeared. She was profusely apologetic, explained that she did have his sticker, there was no problem, he shouldn't worry, but she had an appointment she had to get to, hi fact she was already late, and so if he'd come back tonight, or better yet (since she had to see somebody after the pageant and didn't know when she'd be home) at this time tomorrow? Thoughtfully, she introduced him to the doorman so he wouldn't have to wait out in the cold..Ph.D..of 65." He held up his hand to forestall an effusion. "Now, let me explain how that breaks down.
