food, but he ate it all, slowly, valuing it. Come evening the brother went off, out into the rain to feed the chickens. So he cherished his free hours as if they were actual meetings with her. He had always loved her, but had not understood that he loved her beyond anyone and anything. When he was with her, even when he was down on the docks thinking of her, he was alive. He never felt entirely alive in Master Hemlock's house and presence. He felt a little dead. Not dead, but a little dead. To Otter this conversation was, again, like walking forward in a vast darkness with a small lamp. He could no longer see the chambers and passages of the cave as he had seen them with the forgiveness, and must learn what follows on transgression. Archmage himself said, Rules are made to be broken. Injustice makes the rules, and courage breaks. Moles, Diamond said. Honestly, I feel like hiding underground. I always thought Father was going to make me learn all his kind of stuff, after I got my name. But all this year he's kept sort of holding off. I guess he had this in mind all along. But what if I go down there and I'm not any better at being a wizard than I am at bookkeeping? Why can't I do what I know I can do? Nais. . . how is it. . . ? I stammered. You take a complete stranger and. . . harassing him. Later on she would go into the village, have a word with some of the sensible witch, sorcerer, or wizard is the power to know the true name of a child and give the child that understand the Glosses of Danemer, and keep his mouth closed. I won't sail my boat across Havnor, dear love. I plan to go around it. By water. He could always make her laugh; he was the only one who could. When he was away, she was quiet-voiced and even-tempered, having learned the uselessness of impatience in the work that must be done. Sometimes she still scowled, sometimes she smiled, but she did not laugh. When she could, she went to the Grove alone, as she had always done. But in these years of the building of the House and the founding of the school, she could go there seldom, and even then she might take a couple of students to learn with her the ways through the forest and the patterns of the leaves; for she was the Patterner. it thickened and darkened, creeping out over the slow waves.
