wondering if he had found a ship to take him back to Havnor. He had told her he'd never go back to Westpool; the only place for him was the Great Port, the King's City, and for all he cared the island of Way could sink in the sea as deep as Solea. But she thought with love of the roads and fields of Way. She thought of Old Iria village, the marshy spring under Iria Hill, the old house on it. She thought about Daisy singing ballads in the kitchen, winter evenings, beating out the time with her wooden clogs; and old Coney in the vineyards with his razor-edge knife, showing her how to prune the vine "right down to the life in it"; and Rose, her Etauadis, whispering charms to ease the pain in a child's broken arm. I have known wise people, she thought. Her mind flinched away from remembering her father, but the motion of the leaves and shadows drew it on. She saw him drunk, shouting. She felt his prying, tremulous hands on her. She saw him weeping, sick, shamed, and grief rose up through her body and dissolved, like an ache that melts away in a long stretch. The town at the bay's head, Thwil, shared something of the uncanniness of the Knoll and the Grove, for though the raiders had run through it seeking slaves and plunder and setting fires, the fires had gone out and the narrow streets had sent the marauders astray. Most of the islanders who survived were wise women and their children, who had hidden themselves in the town or in the Immanent Grove. The men now on Roke were those spared children, grown, and a few men now grown old. There was no government but that of the women of the Hand, for it was their spells that had protected Roke so long and protected it far more closely now. against invaders from the Kargad Lands and drove them back into the East. But still they sent. "The son was a fisherman who talked about his travels." (thought), the man on the sheet would say that Olaf or I was similar to himself -- we were not so.
