She.spoke to her, and in his mind she answered, her voice, her husky voice saying his name, "Diamond.And beyond that, nothing. There had been illusions, little spells, pebbles that turned to butterflies, wooden birds that flew on living wings for a minute or two. There had never been a choice, really. There was only one way for him to go..all remote descendants of the Old Speech. None of these languages serves for the making of spells."It always seemed to me they're sort of alike," he said, "magic and music. Spells and tunes. For one thing, you have to get them just exactly right." "You're going to Roke to find out," he said, raising his glass to her. After a moment she raised hers and smiled at him, a smile so tender and radiant that he said spontaneously, "And may what you find be all you seek!". "So you put a spell on yourself," she said, "just as that wizard put one on you. A spell to keep you safe. To keep you with the mule-breeders, and the nut-pickers, and these." She struck the ledger full of lists of names and figures, a flicking, dismissive tap. "A spell of silence," she said..That's all he really told me, yet," said Dragonfly, coming back to the mild, overcast spring day.Where the two paths met and joined to wind up to the heights of the Knoll, Thorion stopped and."Didn't know you were after him.
