The truth?..which she had promised God always to honor, but which.."Well, of course it does, sweetheart. What would the world be like without toilets?.."..STILL NO OVERTURE came from the Chironian leaders. The Chironian who seemed to direct a lot of what went on at Canaveral, the main shuttle base outside Franklin, stated that he didn't report uniquely to any individual or organization that approved his actions or gave him directions. So who told him how the place was to be run? It depended. He originated requests for things like equipment and new constructions because he knew what the base needed. How did he know? Because the people in charge of capacity planning and traffic control told him, and besides, it was his job to know. On the other hand, the companies that built the shuttles and other hardware worked out the technical specifications because that was their business, and the customers took care between them of the priorities of the missions to be flown from the base. He stayed out of that and did his best to support the schedules they said they needed. So ultimately, who was in charge? Who told whom to do what, and who did it? It depended. Nothing made any sense.."Healing technology," Leilani corrected. "An alien species, having mastered interstellar travel and the.."..But we don't even know which Chironians to talk to," Lechat pointed out,..well-meant if less than completely appropriate advice: "Maniac! "To both the moons, and we've sent missions to all of Alpha's other planets. But that was quite a while ago now, with the original drive. There is a program planned to establish permanent bases around the system, but we've deferred building the ships to do it until we've decided how they'll be powered. That's why the Kuan-yin's being made into a test-bed. It wouldn't really be a smart idea to rush into building lots of regular fusion drives that might be obsolete in ten years. There's plenty to do on Chiron in the meantime, so there's no big hurry." She turned her face toward him and rubbed her cheek..Lechat nodded. "That was already understood," he replied grimly..before she had been able to return here. Instead he goes directly..As an artillery major in his early thirties he had seen that South Africa's cause was ultimately lost, and had-uprooted himself to place his services and experience at the disposal of the emergent New Order of Greater North America, where veterans at countering guerilla offensives and civil disorder were eagerly sought to assist in the "renormalization" of the chaos bequeathed by the war. Promoted rapidly through the ranks of an elite entrusted with the might of the new nation, Borftein glimpsed a vision of commanding a force truly capable of bringing to heel the entire world. But the vision had been short-lived. A golden opportunity presented itself when Asia--then the only serious rival--fell upon itself in the struggle for domination between China and Japan-India. But the chance had slipped away while the politicians wavered, eventually to be

lost forever with China's success and the subsequent consolidation of the Eastern Asiatic Federation. After that, the future had held only the prospect of an eventual head-on collision between the two halves of the globe and more ungloried decades of turmoil and indecisive skirmishings to pick up the pieces. Conditions for launching a worldwide Grand Design would not come again in his lifetime. And so he had left to seek a more rewarding destiny with the Mayflower II. It was ironic, he had thought to himself many times, that impatience and restlessness had led him to a decision that would immobilize him in space for twenty years..Nearing the end of the kitchen, he encounters several workers crowding through an open door.."Too bad.
