A Robert Young story is always a pleasure because its high quality is."Okay," the tech says. "But if anything goes wrong, cut it Right? Damp it completely." "I think I can answer that," McKUlian said. "These organisms barely scrape by in the best of times. The ones that have made it waste nothing. It stands to reason that any really ancient deposits of crude oil would have been exhausted in only a few of these cycles. So it must be that what we're thinking of as crude oil must be something a little different It has to be the remains of the last generation." "Right," Lang went on. "It'll be literal confinement for her, right here in the Poddy. Unless we can rig something for her, which X seriously doubt. Still want to go through with it, Lucy?" "was on the floor behind the bed, scrunched down between it and the wall. The almost colorless chenille." "No! There's no other way. Oh, not people like us, maybe. Maybe we're seeing them right now, spinning like crazy." They all looked uneasily at the whirligigs. "But I think they're not here yet I think we're going to see, over the next few years, increasing complexity in these plants and animals as they build up a biome here and get ready for the builders. Think about it. When summer comes, the conditions will be very different. The atmosphere will be almost as dense as ours, with about the same partial pressure of oxygen. By then, thousands of years from now, these early forms will have vanished. These things are adapted for low pressure, no oxygen, scarce water. The later ones will be adapted to an environment much tike ours. And that's when we'll see the makers, when the stage is properly set." She sounded almost religious when she said it..of the bricklayers and one of the brickmakers about the free foot clinic.
