She told them of Phemie's request that the baby be named Angel. "At the time, I assumed she wasn't able to think clearly because of the stroke..Using the straight edge of a ruler to guide his eye down each column, Junior searched for Bartholomew, ignoring surnames. He had already checked to see if anyone in the county had Bartholomew for a last name; no one in this directory did..Soundlessly, reluctantly, Agnes pulled the bedroom door

nearly shut, and went down to the kitchen, where she sat alone, drinking coffee and nibbling at mysteries. Of all the gifts that Barty opened on Christmas morning, the hardback copy of Robert Heinlein's *The Star Beast* was his favorite. Instantly enchanted by the promise of an amusing alien creature, space travel, an exotic future, and lots of adventure, he seized every opportunity throughout the busy day to crack open those pages and to step out of Bright Beach into stranger places. Bartholomew didn't merely have something to do with babies. Bartholomew was a baby. Waking from a bad dream, he sometimes thought he heard the ratcheting of gear-wheel feet. The scrape and creak of rusted iron joints. The clink of rake-tine fingers rattling against one another. The walk-in closet, which Vanadium next explored, contained fewer clothes than he expected. Only half the rod space was being used. A lot of empty hangers rang softly, eerily against one another as he conducted a casual examination of Cain's wardrobe. Frowning, Angel studied the tasty strip of meat pinched between her fingers, reevaluating everything she thought she knew about the source of bacon. As Barty ascended higher, Agnes's fear became purer, but at the same time, she was filled with a wonderful, irrational exhilaration. That this could be accomplished, that the darkness could be overcome, struck music from the harpstrings of the soul. From time to time, the boy paused, perhaps to rest or to mull over the three-dimensional map in his incredible mind, and every time that he started upward again, he put his hands in exactly the right place, whereupon Agnes would speak a silent inner yes! Her heart was with Barty high in the tree, her heart in his, as he had been with her, safe inside her womb, on the rainy twilight that she had ridden the spinning, tumbling car to widowhood. Gradually, Agnes realized that this was not a prayer for the soul of a deceased infant but for the survival of one still alive. The old man assumed the solemn and knowing expression of one guarding mysteries, a sphinx without headdress and mane. "If I told you, dear lady, it wouldn't be magic anymore. Merely a trick." When the long table was laden and the wine poured, when everyone but Mary settled into chairs, Angel said, "My daughter tells me she wants to make a short presentation before I say grace. I don't know what it is, but she assures me it doesn't involve singing, dancing, or reading any of her poetry." The ninth card was a jack of spades. Maria called it a knave of and at the sight of it, her bright smile dimmed. No scent of gasoline fouled the air. Apparently, the tank had not burst. Sudden immolation seemed unlikely-but only an hour ago so had Joey's untimely death. If Vanadium appeared among these men, Junior would not only puke out the contents of his stomach, but also would disgorge his internal organs, every last one of them, and spew up his bones, too, until he emptied out everything within his skin. At dawn, he and his mother went down to the sea, to watch the rolling waves filigreed with foam and gilded with the molten gold of morning sun, to see the kiting gulls and to scatter bread that brought the winged multitudes to earth. They wanted to go up to Barty's room, but she refused them, because there was nothing more they could do for the boy than they had done for her. "He wants to finish reading *Starman Jones*, and I'm not letting anything interfere with that. We're leaving for Newport Beach at seven in the morning, and you can see him then." In the spring and summer of '66, he flew to Memphis, Tennessee, stayed a few days, and walked 288 miles to St. Louis. From St. Louis he hiked west 253 miles to Kansas City, Missouri, and then southwest to Wichita. From Wichita to Oklahoma City. From Oklahoma City east to Fort Smith, Arkansas, from whence he rode home to Bright Beach on a series of Greyhound buses. Celestina stared out for a moment, and then turned her head to look at Tom, with both the shade of the night and the sparkle of the metropolis still captured in her eyes. "What was that all about?" Music played within. An up-tempo number. Possibly swing. He couldn't quite identify the tune. Still relishing her little pretense of rejection, Victoria did not touch the rose. "What kind of woman do you think I am?" FOR JUNIOR CAIN, the Year of the Horse (1966) and the Year of the Sheep (1967) offered many opportunities for personal growth and self-improvement. Even if by Christmas Eve, '67, Junior would not be able to take a dry walk in the rain, this nevertheless was a period of great achievement and much pleasure for him. He didn't want to risk marrying weapon and silencer here in the hall, where he might be seen. Besides, complications could arise from being splattered with Neddy's blood. Aftermath was disgusting, but it was also highly incriminating. For the same reason, he was loath to use a knife. Flanking the wheelchair, EDOM and Jacob spent less time watching the graveside service than studying the sky. Both brothers frowned at that cloudless blue, as though seeing thunderheads. His mother, gently pushing Tom to the prime view point at the head of the stairs, seemed unconcerned about her child's venture into the storm. When red aces weft followed by disturbing jacks, Agnes had pretended to take her son's card-told fortune lightly, especially the frightful part of it. In fact, a coldness had twisted through her heart. From childhood, Celestina was encouraged to be confident that life had meaning, and when she'd needed to share that belief with Dr. Lipscomb as he struggled to come to terms with his experience in the operating room, she'd done so without hesitation. Strangely, however, she herself was having difficulty absorbing these two small miracles. "Nonsense," Agnes breezed on, "it's no imposition. You'll be a great help with my baking, the pie deliveries, all the work that I put aside during Barty's surgery and recovery. It'll either be fun, or I'll wear you down to the bone, but either way, you won't be bored. I've got two extra rooms. One for Celie and Angel, and one for Grace. When your Wally arrives, we can move Angel in with Grace, or she can bunk with me." Astonished and appalled by the cop's insensitivity, Junior said, "You just drop this on me? I lost my wife and my baby. My wife and my baby." As Wally got behind the wheel and closed his door, Angel said, "Mommy, where's fog come from? And don't say Hawaii." Later, after they finished eating but were still sitting at the table over coffee, the conversation turned solemn, although for the moment, the subject wasn't the late Harrison White. How long the two women and the girl must hide out, when and where they would be able to resume lives as normal as might still be possible for them: These were the issues of the moment. As she clambered through the open door into Celestina's lap, the girl said, "Uncle Wally gave me an Oreo." He might suspect, but he couldn't know. He would but would be left with at least a shred of doubt about Junior's. Celestina hadn't noticed the infant being taken away. She had wanted to see it once more, even though she was sickened by the sight of it. Nolly was, as usual, "Nolly" to everyone, but here Kathleen was "Mrs. Wulfstan." By the first of November, they moved his mother's bed into the living room, so she could be in the center of things, where always she had been, though they admitted no guests now, only members of their family with its many names. The following day, Wednesday, December 27, his mother drove him to the library, where he checked out two Heinlein titles recommended by the librarian: *Red Planet* and *The Rolling Stones*. Judging by his excitement, on the way home in the car, his response to previous mystery-novel series had been a pleasant courtship, whereas this was desperate, undying love. What didn't come as a surprise to Paul was Agnes's determination that the Whites, during their period of lying low, should stay with her and Barty. "You look very, very handsome this morning, Mr. Barty," squeaked Pixie Lee, who was something of a flirt. "You look like a big movie star. Neddy possessed all the musical talent, but Junior had the muscle. Pinned against the wall, his throat in the vise of Junior's hands, Neddy needed a miracle if he were ever again to sweep another glissando from a keyboard. The reverend couldn't easily escape church obligations on such

short notice, but Grace wanted to be with her daughters. Phimie, however, pleaded that only Celestina accompany her. Later, as Bonita and Francesca proudly served their mother's individually molded Christmas-tree-shaped servings of flan, which they themselves had plated, Barty leaned close to his mother and, pointing to the table in front of them, said softly but excitedly, "Look at the rainbows!". Junior glanced over his shoulder even as Celestina turned and fled. He caught only a glimpse of her disappearing into the inner hallway. Junior was vigilant. He took note of all those who approached the piano, whether they dropped money in the fishbowl or not. For Agnes and Barty, one stop remained, where some of the joy of Christmas would always be buried with the husband that she still missed every day and the father that he would never know. In the morning, at breakfast, from this calmer perspective, he looked back at his tantrum in the middle of the night and wondered if he might be in psychological trouble. He decided not. In November and December, Junior studied arcane texts on the supernatural, went through new women at a pace prodigious even for him, found three Bartholomews, and finished ten needlepoint pillows. Summary: Explores further the magical world of Earthsea through five tales of events which occur before or after the time of the original novels, as well as an essay on the people, languages, history and magic of the place. knew Phimie died in childbirth, not an accident, and Max's instincts told him rape. I explained to your dad why Cain was the man. I wanted whatever information he might have. But I suppose ... sitting there, looking at my face, he decided that Cain is indeed the biggest hornet's nest ever, and he didn't want to put his daughter and granddaughter at greater risk than necessary. "There's lots of places where I don't have bad eyes at all. And then lots of places where I have it worse or don't have it as bad, but still have it some." she was buoyant, unrestrained, floating up from the padded stretcher, until she was. Maybe every accidental death was suspicious to Vanadium. His obsessive hounding of Junior might be his standard operating procedure. The gunshot was louder-and the pain initially less-than he expected. Timpani-boom, timpani-boom, the explosion echoed back and forth through the high-ceilinged apartment. "Money's no object. I can afford whatever you'd like to charge. And I'd be a diligent student." "No, no, dear. It was little Muffin, from next door. A big dog certainly would have torn up both you and the pants. We've got to have a credible story." Tommy James and the Shondells, good American boys, had a record farther down the charts-"Hanky Panky"-that Junior felt was better than the Beatles' tune. The failure of his countrymen to support homegrown talent aggravated him. The nation seemed eager to surrender its culture to foreigners. Turning around in his seat, watching with amusement as Celestina fumbled nervously with the currency, the cabbie said, "You're not scared, not you. Sitting back there so silent most all the way, you weren't thinking about being famous. You were thinking about that girl of yours." From Christmas through February, he dated a beautiful stock analyst and broker-Tammy Bean-who specialized in finding value in companies that had rewarding relationships with brutal dictators. He hadn't heard the cop get out of the chair and cross the dark room. Difficult. "Besides, I still live by my vows as much as possible, though I've had the longest continuing dispensation on record." A smile on that cracked countenance could be touching, but an ironic look now worked less well; it gave Kathleen a chill. "Vanity is a sin I've more easily been able to avoid than some others." Through nine months of quiet panic, however, Phimie grew less rational week by week, resorting to reckless measures that endangered. In his mind's eye, Junior saw the coin in transit of the blunt fingers, moving more swiftly than previously because its passage was lubricated by blood. "We want the scary one, 'specially if it has spiders, Pixie Lee said squeakily but defiantly. Just as the man turned away, Junior got a glimpse of what he wore under a London Fog raincoat. Between the lapels of the coat: a white shirt with a wing collar, a black bow tie, the suggestion of black-satin lapels like those on a tuxedo jacket.
