They say that Roke used to be ruled by a woman called the Dark Woman, who was in league with the Old Powers of the earth. They say she lived in a cave under Roke Knoll, never coming into the daylight, but weaving vast spells over land and sea that compelled men to her evil will, until the first Archmage came to Roke, unsealed and entered the cave, defeated the Dark Woman, and took her place..He told her, as well as he could.
