phone, privacy, whatever you need, and for however long you need." The runt was so out of proportion to his office furniture that he appeared to be a bug perched in the giant leather executive chair, which itself looked like the maw of a Venus's-flytrap about to swallow him for lunch. He allowed such a lengthy silence to follow Junior's question that by the time he answered, his reply was superfluous. There was an otter in our brook. Everyone confronted Agnes with expressions of puzzlement and expectation, and she looked from one to another. Paul. Maria. Francesca. Bonita. Grace. Edom. Jacob. Finally Celestina. The hum, the buzz, the rattle, the grinding of machinery, power tools. Sheet steel and tougher structural steel snarling against the teeth of a metal-cutting saw. Turning in circles, he tipped his head back, presenting his face to the streaming sky, laughing. ISBN 0-15-100561-3 I. Fantasy fiction, American, [I. Fantasy. 2. Short stories.] I. Title. He slept outdoors rarely and otherwise stayed in inexpensive motels, boardinghouses, and YMCAs. . . . then how come you couldn't walk where your eyes were healthy and leave the tumors there," she remembered. Rowena loves you, Phimie had told him, briefly repressing the effects of her stroke to speak with clarity. Beezil and Feezil are safe with her Messages from his lost wife and children, where they waited for him beyond this life. Her eyes, lustrous pools, brimmed with the need to know, but she respected the deal. "I only half understood all that, and I don't even know which half, but in some strange way, it feels true. Thank you. I will think about it tonight, when I can't sleep." She stepped close and kissed him on the cheek. "Who are you, Tom Vanadium?" ON THE FOLLOWING Tuesday afternoon in Bright Beach, across a sky as black as a witch's cauldron, seagulls flew out of an evil brew toward their safe roosts, and on the land below, humid shadows of the. Although he harbored no fear of coming under suspicion for the murder of Victoria Bressler, he intended to leave Spruce Hills this very night. No future existed for him in such a sleepy backwater. A wider world awaited, and he had earned the right to enjoy all that it could offer him. Now out of the kitchen, along the hall, and up the stairs, two at a time, into Victoria's bedroom. Not with the intention of snaring a perverse souvenir. Merely to find a blanket. Perhaps this particular worry was not ordinary maternal concern. If a sixth sense is at work in all of us, then perhaps subconsciously Apes was aware of the tragedy to come: the tumors, the surgery, the blindness. But he was more than she had ever imagined her boy to be, more than merely a prodigy. In each savings account, he deposited five hundred dollars in cash. He tucked twenty thousand in crisp new bills into each safe-deposit box. "WOULD YOU LIKE TO BE MY BOYFRIEND?" asked Miss Velveeta, who had thus far shown no romantic inclinations. Agnes was only thirty-nine years old, full of plans and vigor, so Angel's words seemed premature. Yet in too few years, she would have reason to wonder if perhaps these gifted children foresaw, unconsciously, that she would need the comfort of having witnessed this climb. In a neatly groomed neighborhood of unassuming houses, Vanadium's place was as unremarkable as those around it: a single-story rectangular box of no discernible architectural style. White aluminum siding with green shutters. An attached two-car garage. He would never allow himself to be bankrupted and made poor again. Never. His fortune had been won at enormous risk, with great fortitude and determination. He must defend it at any cost. Renee Vivi spoke with a silken southern accent. Vivacious without being cloyingly coquettish, well-educated and well-read but never pretentious, direct in her conversation without seeming either bold or opinionated, she was charming company. Wally had disposed of his properties in San Francisco under Tom's careful supervision. Any attempt to trace him from the city to Bright Beach would fail. His vehicles were purchased through a corporation, and his new house had been bought through a trust named after his late wife. Yet his curious attraction to these newborns kept him at the window, and he began to believe that unconsciously he had intended to come here from the moment he guided his walker out of his room. He'd been compelled to come. Drawn by some mysterious magnetism. Fully clothed, she lay atop the bedspread. She intended to listen to a little classical music before brushing her teeth. From out of the fog and darkness came the slap of running feet on bricks. He was sprinting toward the back of the house. And when she finally looked directly at him, blinked at him, her lashes flicking off a spray of fine droplets, Agnes saw that Barty was dry. Not a single jewel of rain glistened in his thick dark hair or on the baby-smooth planes of his face. His shirt and sweater were as dry as if they had just been taken off a hanger and from a dresser drawer. A few drops darkened the legs of the boy's khaki pants--but Agnes realized this was water that had dripped from her arm as she'd reached across him to adjust the vent. "You're one to talk," Celestina said. "Who was it told us they were sitting hand in hand on the front-porch swing." He was in the kitchen at 11:20, spreading frosting on a large chocolate sheet cake while the reverend expertly frosted a coconut-layer job. He hadn't seen Thomas Vanadium since Monday, at the cemetery, and Vanadium hadn't pulled any tricks since leaving twenty-five cents at his bedside that same night. Almost four days undisturbed by the hectoring detective. In matters Vanadium, however, Junior had learned to be wary, prudent. Instead, he was given a small color brochure featuring samples of the artist's work. It also contained the same photograph of her smiling face that graced the window. "Can't pay us as well as Losen does. But we could live," Otter argued. Regrettably, at 2:00 A.M., February 28, waking alone in Tammy's bed, Junior sought her out and found her snacking in the kitchen. Forsaking a fork in favor of her fingers, she was eating a. Rising, Celestina said to Tom, "Last Tuesday night, we had to switch on the lawn sprinklers. This will be much better." Everywhere in the fabled city, calves and knees and magnificent expanses of taut thighs were on display. This brought out the dreamy romantic in Junior, and more than ever he yearned desperately for the perfect woman, the ideal lover, the matching half of his incomplete heart. For Agnes and Barty, one stop remained, where some of the joy of Christmas would always be buried with the husband that she still missed every day and the father that he would never know. Jacob grunted, but probably not because he'd heard what had been said about him, more likely because he'd just turned the page to find a photo of dead cattle piled up like driftwood against the American Legion Hall in some flood-ravaged town in Arkansas. As one, those around the table raised their eyes to the ceiling and smiled at the sound of the downpour. Barty, with patches over his empty sockets, also looked up with a smile. "If he gets back within the next hour, better ring me at his place so I can scoot." Angel, however, focused on a point in the air above the table. Faint furrows marked her brow for a moment, but then the frown gave way to a smile. Glass in the door next to Agnes cracked, dissolved. Pebbly blacktop like a dragon flank of glistening scales hissed past the broken window, inches from her face. Now, however, he was thinking not about what Agnes's story might mean to Reverend White, but about what the minister might be able to do to provide at least a small degree of comfort to Agnes, who spent her life comforting others. Applying his intelligence now, he employed simple meditation techniques to calm himself and to slow his heartbeat. The cop was trying to rattle him into making a mistake, but calm men did not incriminate themselves. Oblivious that she and Barty had become the center of attention, Angel said, "Does he ever get the quarters back?" He didn't want to lean inside and peer over the front seat. He had no weapon. He would be unbalanced, vulnerable. Prudence required that they strategize as though Enoch Cain were Satan himself, as though every fly and beetle and rat provided eyes and ears

for the killer, as though ordinary precautions could never foil him.
