It's a wonderful thing to fly on the wings of a falcon, mistress, and to see the earth below you with a falcon's eye. And summoning, which is naming truly, is a great power. To know the true name is to have power, as you know, mistress. And the summoner's art goes straight to that. It's a wonderful thing to summon up the semblance and the spirit of one long dead. It's a difficult thing for a young man, very difficult -- a test of a will that has not yet been steeled, a mind that has not yet seen its true goal. The shrubs and scrubby grass that had been green that day were dun and dry, and the wind rattled the last leaves on the bushes. To their left a little stream ran low among willow thickets. Mild sunlight and long shadows streaked the hillsides..He asked her, rather timidly, to tell him what the Immanent Grove was, for when he had asked..But Otter was intensely aware of Gelluk, both physically and as a presence of immense controlling power; and it seemed to him that Anieb's speaking had taken away that much of Gelluk's power over him, gaining him a place to stand, a foothold. Even with Gelluk so close to him, fearfully close, he managed to speak.."A witchwind coming. Following. Cold nights of autumn were a misery to her. And once, when Golden was down 'at South Port, she and Tangle took a donkey cart and drove over to Easthill, where they heard Diamond sing the Lay of the Lost Queen, while Rose sat with them, and Little Tuly sat on Tuly's knee. A carter walking at his mule's head with a load of oakwood came upon them and took them both to have no other language..her name, while he walked to meet her. We must deliver the King. We must find the great lode. It is here; there is no doubt of that: 'The womb of the Mother lies under Samory.'".She had no wish to explore for herself. The peacefulness of the place called for stillness, watching, listening; and she knew how tricky the paths were, and that the Grove was, as the Patterner put it, "bigger inside than outside'. She sat down in a patch of sun-dappled shade and watched the shadows of the leaves play across the ground. The oakmast was deep; though she had never seen wild swine in the wood, she saw their tracks here. For a moment she caught the scent of a fox. Her thoughts moved as quietly and easily as the breeze moved in the warm light.
