There were many such isles in the Archipelago, made barren and desolate by rival wizards' blights and curses; they were evil places to come to or even to pass, and Medra thought no more about this one, until that night..storms, the evil weather of those years, drove their ship back to lngat three times, and Medra obeys him, and the

He was a consciously close-mouthed man, distrustful of visions until they could be made acts; and she, though a dutiful, loving wife and mother and housekeeper, already made too much of Diamond's talents and accomplishments. Also, like all women, she was inclined to babble and gossip, and indiscriminate in her friendships. The girl Rose hung about with Diamond because Tuly encouraged Rose's mother the witch to visit, consulting her every time Diamond had a hangnail, and telling her more than she or anyone ought to know about Golden's household. His business was none of the witch's business. On the other hand, Tangle might be able to tell him if his son in fact showed promise, had a talent for magery...but he flinched away from the thought of asking her, asking a witch's opinion on anything, least of all a judgment on his son..It was peaceful here with the woman and the cat. Pendor was a rich island, then, before the dragon Yevaud despoiled it. Wherever Medra had gone until then, he had found the lands like Havnor or worse, sunk in warfare, raids, and piracy, the fields full of weeds, the towns full of thieves. Maybe he thought, at first, that on Pendor he had found Morred's Isle, for the city was beautiful and peaceful and the people prosperous..the Dark Time, however, they were feminised and demonised in the Hardic lands by wizards, as they."No. But we have the things wizardry is made of. Having long studied these, Gelluk knew that once he had enough of the pure metal, the next stage was to refine it yet further into the Body of the Moon. He had understood the disguised language of the book to mean that in order to purify pure quicksilver, the fire must be built not of mere wood but of human corpses. Rereading and pondering the words this night in his room in the barracks, he discerned another possible meaning in them. There was always another meaning in the words of this lore. Perhaps the book was saying that there must be sacrifice not only of base flesh but also of inferior spirit. The great fire in the tower should burn not dead bodies but living ones. Living and conscious. Purity from foulness: bliss from pain. It was all part of the great principle, perfectly clear once seen. He was sure he was right, had at last understood the technique. But he must not hurry, he must be patient, must make certain. He turned to another passage and compared the two, and brooded over the book late into the night. Once for a moment something drew his mind away, some invasion of the outskirts of his awareness; the boy was trying some trick or other. Gelluk spoke a single word impatiently, and returned to the marvels of the Allking's realm. He never noticed that his prisoner's dreams had escaped him..Irioth came up onto the doorstep. One of these differences may be, or may be indicated by, the lack of any kind of institutionalised religion. Superstition is as common as it is anywhere, but there are no gods, no cults, no formal worship of any kind. Ritual occurs only in traditional offerings at the sites of the Old Powers, in the great, universally celebrated annual festivals such as Sunreturn and the Long Dance, in the speaking and singing of the traditional songs and epics at these festivals, and, perhaps, in the performance of spells of magic..She stared at him with those strange eyes, as unreadable as a sheep's, he thought. But, as there are ascetics among humans, some dragons are greedy for shining things, gold, jewels; one was Yevaud, who sometimes came among people in human form, and who made the rich Isle of Pendor into a dragon nursery, until driven back into the west by Ged. But the marauding dragons of the Lay and the songs seem to have been moved not so much by greed as by anger, a sense of having been cheated, betrayed..Queen Heru, called the Eagle, inherited the throne from her father, Denggemal of the House of Ilien.
