"We have to finish the work here," he told her, and she looked at him mildly. All animals were patient, but the patience of the horse kind was wonderful, being freely given. Dogs were loyal, but there was more of obedience in it. Dogs were hierarchs, dividing the world into lords and commoners. Horses were all lords. They agreed to collude. He remembered walking among the great, plumed feet of cart horses, fearless. The comfort of their breath on his head. A long time ago. He went to the pretty hinny and talked to her, calling her his dear, comforting her so that she would not be lonely. "Close!" Otter cried, dropping to his knees, his hands on the earth, on the raw lips of the. You walked on, and after a time. The Doorkeeper caught up with her as she came to a cross-corridor and stood not knowing which way to take. "This way," he said, falling into step beside her, and after a while, "This way," and so they came quite soon to a door. It was not made of horn and ivory. It was uncarved oak, black and massive, with an iron bolt worn thin with age. "This is the back door," the mage said, unbolting it. "Media's Gate, they used to call it. I keep both doors." He opened it. The brightness of the day dazzled Irian's eyes. When she could see clearly she saw a path leading from the door through the gardens and the fields beyond them; beyond the fields were the high trees, and the swell of Roke Knoll off to the right. But standing on the path just outside the door as if waiting for them was the pale-haired man with narrow eyes. lights. No info. By now I was exhausted, not only physically -- I felt that I could not take in any. "And you asked me, What can you tell me that could make me trust you?". So said Ember, his fierce, black-browed teacher. where did it turn false; how the balance of things was kept or lost; what crafts were needful, an approaching green circle.
