Not only did the carpeting continue up the walls, but as she walked from the kitchen, across the lounge area to the fireplace, and turned to look up at the sleeping loft, each place her feet touched a patch changed color to a pale, clear yellow. She stared, then laughed and ran her hands along the back of a chair. It, too, changed color, to a pattern of pastel greens and yellows.."Tell me the truth." "My runabout is outside. IT! show you what I have available." Nolan wiped his forehead. Maybe he'd been too hasty, bringing Darlene and the baby here. But a man was entitled to see his own son, and in a few months they'd be out of this miserable sweatbox forever. No sense getting uptight; everything was going to be all right.close and dark, filled with the musk of deer..Up with your glittering clothes for so long," said Amos. "Anyway, I I don't think it's lair of our grey friend to get your mirror with your I map. You should at least have a chance at it. Let me see, the first [place we are going is somewhere nearer than you think." "In the swamp then," said Jack..tracks it backward until the men are again in then- places on deck. I may have inveigled you into my apartment, but I am no\* in love with you." "I just want to point out that instead of an expedition, we are now a colony. Not in the usual sense of planning to stay here forever, but all our planning will have to be geared to that fiction. What we're faced with is not a simple matter of stretching supplies until rescue comes. Stoppgap measures are not likely to do us much good. Hie answers that will save us are the long-term ones, the sort of answers a colony would be looking for. About two years from now we're going to have to be in a position to survive with some sort of lifestyle that could support us forever. Then, below the surface, Lea appeared..Amanda Gaff and Selene Randall came to Aventine during the autumn hiatus, when the last of the summer residents had gone back to jobs in the city or followed the sun south, and the winter influx of skiers and skaters was still some weeks away. Aventine scarcely noticed them, and if my current cohab had not gone off through the Diana Mountain Stargate on some interstellar artists' junket, they might never have been more than clients to me, either. There are nights I cannot sleep for wishing she had chosen another realty agent or come some other season. I was alone, though, in the boredom of autumn when Amanda walked into my office with her seeds of tragedy and elected me gardener..First, there is the reactive pain. Only those who have reviewed, year in and year out, know how truly abominable most fiction is. And we can't remove ourselves from the pain. Ordinary readers can skip, or read every third word, or quit in the middle. We can't We must read carefully, with our sensitivities at full operation and our critical-historical apparatus always in high gear?or we may miss that subtle satire which disguises itself as clich?, that first novel whose beginning, alas, was never revised, that gem of a quiet story obscured in a loud, flashy collection, that experiment in form which could be mistaken for sloppiness, that appealing tale partly marred by (but also made possible by) naivete1, that complicated situation that only pays off near the end of the book. Such works exist but in order not to miss them, one must continually extend one's sensitivity, knowledge, and critical care to works that only abuse such faculties. The mental sensation is that of eating garbage, I assure you, and if critics\* accumulated suffering did not find an outlet in the vigor of our language, I don't know what we would do. And it's the critics who care the most who suffer the most; irritation is a sign of betrayed love. As Shaw puts it.No good-bys. I know I'm canned.
