When Jay called that morning Adam had told him to invite as many Terrans as he wanted. Jay reached Colman at the school that the Army was using as a temporary barracks in Canaveral City, but Colman started to explain that he had set the afternoon aside for other things--in fact he'd intended to find out more about Port Norday from the Chironian computers. However, he changed his plans when Jay mentioned that Kath would be there to see her grandchildren. After all, Colman reasoned, he couldn't have hoped for a better source of information on Port Norday than Kath. As Hanlon was off duty, Colman had invited him along too..are." "Well, I think there's something to be scared about," Paula said. "Suppose they turn out to be really mean and don't want to mess around with talking at all. Suppose they send a missile up at us without any warning or anything .. I mean, we'd be stuck out in space like a sitting duck, wouldn't we. Then where would we be?" "Not in this case," said Geneva. "I saved him." "You did? How?".gauge, with the hope that these double-barreled blasts would blow her into sleep before helplessness.them to the silken gloom and the suety glow of the candle flames..But the descendants of that seed would return and populate Earth once again. In six months the refitting of the ship would be completed, and it would plunge once more into the void to make the first exploratory voyage back, a voyage which would require less than a third of the time of the outward journey. Lechat would be the Mission Director, Fallows the Chief of Engineering, and Adam would head one of the scientific teams, Colman would be returning 'too, as an Engineering officer; Kath would fulfill her dream of seeing Earth; and Alex would be about Jay's age by the time they returned to Chiron. Many of the old, familiar faces, some through nostalgia and others through restlessness after five years of planet-bound living, would take to space again in the ship that had been their home..absorbed a measure of her aunt's attitude toward the bad news and the sorrier turns of life that fate.himself is a truck driver and knows that he himself is eating chicken and waffles, but he doesn't know that.tucked down as if he expects someone to strike him.. "Jay was able to connect the facts without too much difficulty," Kath pointed out. "We didn't try to hide them. Haven't the scientists on the ship done the same?".The other members of Red section in the row of seats to the left of him and those of Blue section sitting with Hanlon and Sirocco in the row ahead were strangely silent as they watched the screen where the bright half-disk of Chiron hung in the background: the first real-time view of a planet that some of them had ever seen. Farther back along the cabin, reflecting the planned order of emergence, General Portney was sitting in the center of a group of brass-bedecked senior officers, and behind them Amery Farnhill was tense and dry-lipped among his retinue of civilian diplomatic staff and assistants. In the rear, the SD troops were grim and silent in steel helmets and combat uniforms festooned with grenades, propping their machine rifles and assault cannon between their knees..Bernard looked at him uncertainly. "I'm not with you, Jerry. Why should it escalate to anything like that? The Chironians don't have anything in that league anyway."..know joy, to have faith that our lives have meaning . . . and to find The Way.. "I can remember the one that first taught me to talk," Abdul said. "It's still operating today, up there on the Kuan-yin. But the ones you see today have changed a lot."..Sinsemilla said, "Oh, Lani, baby, you should see yourself! You look so completely St. Patrick, in a total.Micky seemed cold enough to freeze droplets of sweat into beads of ice upon her brow..Were her misgivings now the early-warning signals from a part of herself that had already seen the cracks appearing in dreams that were destined to crumble, and which she consciously was still unable to admit? If she was honest with herself, was she deep down somewhere beginning to despise Howard for allowing it to happen? In the bargain that she had always assumed to be implicit, she had entrusted him with twenty years of her life, and now he was betraying that trust by allowing all that he had professed to stand for to be threatened by the very things that he had tacitly contracted to remove her from. Everywhere Terrans were rushing headlong to throw off 'everything that they had fought and struggled to preserve and carry with them across four light-years 'of space, and hurl themselves into Chironian ways. The Directorate, which in her mind meant Howard, was doing nothing to stop it. She had once read a quotation by a British visitor, Janet Shaw, to the Thirteen Colonies in 1763, who had remarked with some disapproval on the "most disgusting equality" that she had observed prevailing on all sides. It suited the present situation well..Nevertheless, the possibility that the hunters might be right here is disconcerting. Their nearness makes.stocked.
