Most women your age are named. she'd not been so confused and sad. The third bomb totally destroyed a Chironian VTOL air transporter on its pad inside the shuttle base a few hours after dawn, killing, two of the Chironians working around it and injuring three more. Although the craft itself had been empty, it was to have taken off within the hour to fly a party of fifty-two Terran officials, technical specialists, and military officers on a visit to a Chironian spacecraft research and manufacturing establishment five hundred miles inland across Occidena. It wasn't a moment to be keeping up pretenses. Colman's frown deepened. "What about her? Is she okay?" Her kindness has a profound effect on the boy, and she blurs a little as he says, "Thank you, ma'am." In her tiny bedroom, Micky kicked off her toe-pinching high heels. She stripped out of her cheap cotton. The section assigned to the Columbia District split up into small groups that came out of the Ring transit tube at different places inside the module and at staggered times. Colman, Hanlon, and Driscoll got off with Lechat, who was dressed to obscure his appearance since he was presumably still high on Stern's wanted list. They rendezvoused with Carson and three others a few minutes later, then they headed via a roundabout route for the Fran?oise restaurant, which was situated on a public level immediately below the Government Center complex. remarkably free of bitterness. Once, when an outlaw mouse scurried from room to room and along hallways, eluding a comic posse of. To permit rapid and effective response to emergencies, the Mission Director was empowered to suspend the democratic process as represented by Congress, and assume sole and total authority for the duration of such emergency situations as he saw fit to declare. Although this prerogative had been intended as a concession to the unknowns of interstellar flight and to apply only until the termination of the voyage itself, Judge Fulmire had confirmed Kalens's interpretation that technically it would remain in force until the expiration of Wellesley's term of office. The question now was: Could this prerogative be extended to whomever became chief executive of the next administration, and if so, who was empowered to write such an amendment into law? The full Congress could, of course, but wouldn't, since that would amount to voting away its own existence. Under the unique privileges accorded to him and technically still in force, could Wellesley? "Oh? When was your last workout?" "I know what you think and why. You think Dr. Doom diddles little girls, because that's what experience. next year covered." that was just a little too hasty. "The last time we went to see the complex at Port Norday." Bernard stared blankly at him. Merrick seemed pained. "Don't tell me you didn't know. I went there with Walters and Hoskins a while ago. Didn't Walters tell you about it?" Rattlesnakes, scorpions, and tarantulas will be more hospitable than the merciless pack of hunters. Colman frowned and shook his head with a sigh as he thought about it. "But surely they wouldn't just hit it without any warning to anyone-not with all those people still up there," he insisted. "Wouldn't they say something first.. let Stern know what he's up against?" drawer in search of something else. The sight of this stash, when she wasn't immediately in need of it, had. Lechat stared at the Director's seat next to him, and while he was still turning his head perplexedly from one side to the other, the first approving murmurs and ripples of applause began coming from among the members. an one by one they realized what it meant. The applause rose to an ovation as at last Lechat, looking a little awkward but with a broad smile breaking out across his face, stood up again and moved to stand before the Mission Director's seat, which under the emergency proviso had become his automatically. Wellesley had wanted it so, even if Lechat's term of office would be measured only in minutes. "Yeah, well, she's a mouse." Dr. Doom had gone out to a movie or to dinner. Or to kill someone. "Thoroughly and repeatedly. There is no risk that the Mayflower II might be exposed at any time," Gaulitz answered. "What a perfectly appropriate word? raw." "I know all the bemuses. No need to list them." "I never said they'd do anything," the robot replied. "I just said that people telling them wouldn't bother them." "Then there's your answer." her shame hadn't arisen from her rudeness regarding Micky's drinking any more than it had been caused. mother-daughter moment. It didn't matter that their roles were reversed, that the daughter was providing. "Yes--some kind of industrial complex, wasn't it?" "It's a centralized, fusion-based facility, that provides gen-. Geneva said, "Kidneys?". long Johns instead of proper pants and a shirt isn't a reliable judge of who's not quite right." "How do you mean, Jerry?" Lechat asked across the table. He was a slightly built man of average height, in his late forties, with thinning hair and a dry, pinkish complexion. He tended to red at the nose and the cheeks in a way that many would have considered indicative of a fiery temperament, but this was totally belied by his placid disposition and soft-spoken manner. Bernard shrugged helplessly. "I know. It's a chance-but what else is there?". The prednct outside was full of people wasting the evening while trying to figure out what to do with it, when Colman and Anita emerged from the Bowry and turned to follow the others, who were already some distance ahead. Anita stopped to fish for something in her pocketbook, and Colman slowed to a halt to wait. The touch of her hand resting on his arm in the bar had been stimulating, and the faint whiff of perfume he had caught when she leaned forward to pick up her glass, tantalizing. What the hell? he thought. She's not a kid. A guy needed a break now and again after twenty years of being cooped up in a spaceship. The meadow waiting under the moon. "What do you

think of that theory, Mrs. D?" Leilani asked with little of her usual humor, but with a quiet. In the end, everything is a gag, ?Charlie Chaplin. "No, sir. Why would I?". Exhibiting rhinoscerosian contempt for Mr. Hooper, Donella turns away from him. "Don't you pay any. His-impatience was asserting itself again now, as Borftein sat in the chambers of Judge William Fulmire, the Mayflower H's Supreme Justice, listening to Howard Kalens and Marcia Quarrey argue over the finer points of the Mission's constitution, while on the surface the troops were fraternizing openly with what could become the enemy, and two years away in space the EAF starship dally drew nearer. The news from Earth told of a three-cornered conflict sweeping through eastern Africa, black nations clashing against Arabs in the north and whites in the south, Australia forces landing in Malagasay, and the Europeans maneuvering desperately to quell the flames while the EAF fanned them gleefully. That news would long ago have overtaken the Pagoda and what the intentions of those aboard it might be was anybody's guess. It wasn't a time to be fussing over ambiguous syntax and legal niceties.. Bernard stood up. "Sure... don't let me keep you if you have things to do. Thanks for letting me have the cutter back." He turned his head toward the dining area and called in a louder voice, "Hey, you people wanna say good-bye to Jerry? He's leaving."
