We're the ideal location to get for the called publication. And your time to acquire this guide as on the list of compromises has already been ready. 140. Younus the Scribe and the Khalif Welid ben Sehl dclxxiv.Zubeideh, El Mamoun and, i. 199.Had we thy coming known, we would for sacrifice, i. 13..? ? ? ? ? Upon you be the peace of God! May all prosperity, For what's decreed of years and lives, upon you ever wait!.Now the children had entered the coppice, to make water, and there was there a forest of trees, wherein, if a horseman entered, he might wander by the week, [before finding his way out], for none knew the first thereof from the last. So the boys entered therein and knew not how they should return and went astray in that wood, to an end that was willed of God the Most High, whilst their father sought them,

but found them not. So he returned to their mother and they abode weeping for their children. As for these latter, when they entered the wood, it swallowed them up and they went wandering in it many days, knowing not where they had entered, till they came forth, at another side, upon the open country. O son of Simeon, give no ear to other than my say, iii. 36.. "He shall not come in to me. Who is at the door, other than he?" "El Akhtel et Teghlibi," (56) answered Adi; and Omar said, "He is the unbeliever who says in his verse ..." [And he repeated the following:]. So saying, he went away, whilst Mesroure entered and taking up Aboulhusn, shut the door after him, and followed his master, till he reached the palace, what while the night drew to an end and the cocks cried out, and set him down before the Commander of the Faithful, who laughed at him. Then he sent for Jaafer the Barmecide and when he came before him, he said to him, "Note this young man and when thou seest him to-morrow seated in my place of estate and on the throne of my Khalifate and clad in my habit, stand thou in attendance upon him and enjoin the Amirs and grandees and the people of my household and the officers of my realm to do the like and obey him in that which he shall command them; and thou, if he bespeak thee of anything, do it and hearken unto him and gainsay him not in aught in this coming day." Jaafer answered with, "Hearkening and obedience," (17) and withdrew, whilst the Khalif went in to the women of the palace, who came to him, and he said to them, "Whenas yonder sleeper awaketh to-morrow from his sleep, kiss ye the earth before him and make obeisance to him and come round about him and clothe him in the [royal] habit and do him the service of the Khalifate and deny not aught of his estate, but say to him, 'Thou art the Khalif.'" Then he taught them what they should say to him and how they should do with him and withdrawing to a privy place, let down a curtain before himself and slept. . . . g. The King's Son and the Ogress dlxxxi. . . . The dwellings, indeed, one and all, I adorned, Bewildered and dazed with delight at your view; . . . b. The Second Voyage of Sindbad the Sailor. Meanwhile, news came to his wife that her husband had taken service with King Such-an-one; so she arose and taking her two sons, (for she had given birth to twin boys in his absence,) set out for those parts. As fate would have it, they happened upon an island and her husband came thither that very night in the ship. [When the woman heard of the coming of the ship], she said to her children, 'This ship cometh from the country where your father is; so go ye to the sea-shore, that ye may enquire of him.' So they repaired to the sea-shore and [going up into the ship], fell to playing about it and occupied themselves with their play till the evening. In this island is a river of very sweet water, issuing from the shore of the sea and entering in at a wide cavern in the skirt of an inaccessible mountain, and the stones of the island are all limpid sparkling crystal and jacinths of price. Therein also is a spring of liquid, welling up like [molten] pitch, and when it cometh to the shore of the island, the fish swallow it, then return and cast it up, and it becometh changed from its condition and that which it was aforetime; and it is crude ambergris. Moreover, the trees of the island are all of the most precious aloes-wood, both Chinese and Comorin; but there is no way of issue from the place, for it is as an abyss midmost the sea; the steepness of its shore forbiddeth the drawing up of ships, and if any approach the mountain, they fall into the eddy aforesaid; nor is there any resource (205) in that island. 136. The History of Gherib and his Brother Agib dcxxiv. 52. Ibrahim ben el Mehdi and the Merchant's Sister dcvi. Then said she to me, "To-morrow morning, when Amin el Hukm cometh, have patience with him till he have made an end of his speech, and when he is silent, return him no answer; and if the prefect say to thee, 'What ailest thee that thou answerest him not?' do thou reply, 'O lord, know that the two words are not alike, but there is no [helper] for him who is undermost (101), save God the Most High.' (102) The Cadi will say, 'What is the meaning of thy saying, 'The two words are not alike'?' And do thou make answer, saying, 'I deposited with thee a damsel from the palace of the Sultan, and most like some losel of thy household hath transgressed against her or she hath been privily murdered. Indeed, there were on her jewels and raiment worth a thousand dinars, and hadst thou put those who are with thee of slaves and slave-girls to the question, thou hadst assuredly lit on some traces [of the crime]. When he heareth this from thee, his agitation will redouble and he will be confounded and will swear that needs must thou go with him to his house; but do thou say, 'That will I not do, for that I am the party aggrieved, more by token that I am under suspicion with thee.' If he redouble in calling [on God for aid] and conjure thee by the oath of divorce, saying, 'Needs must thou come,' do thou say, 'By Allah, I will not go, except the prefect come also.' . . . I am the champion-slayer, the warrior without peer; My foes I slay, destroying the hosts, when I appear. Meanwhile, the nurse awoke, that she might give the child suck, and seeing the bed running with blood, cried out; whereupon the sleepers and the king awoke and making for the place, found the child with his throat cut and the cradle running over with blood and his father slain and dead in his sleeping chamber. So they examined the child and found life in him and his windpipe whole and sewed up the place of the wound. Then the king sought his son Belehwan, but found him not and saw that he had fled; whereby he knew that it was he who had done this deed, and this was grievous to the king and to the people of his realm and to the lady Shah Katoun. So the king laid out his son Melik Shah and buried him and made him a mighty funeral and they mourned passing sore; after which he addressed himself to the rearing of the infant. The old man took the casting-bottle from the Jew and going up to Nouredin and the damsel, sprinkled their faces, whereupon they came to themselves and fell to relating to each other that which they had suffered, since their separation, for the anguish of severance. Moreover, Nouredin acquainted Sitt el Milah with that which he had endured from the folk who would have slain him and made away with him; and she said to him, "O my lord, let us presently give over this talk and praise God for reunion of loves, and all this shall cease from us." Then she gave him the cup and he said, "By Allah, I will nowise drink it, whilst I am in this plight!" So she drank it off before him and taking the lute, swept the strings and sang the following verses: When thou comest to the house, begin by searching the roofs; then search the closets and cabinets; and if thou find nought, humble thyself unto the Cadi and make a show of abjection and feign thyself defeated, and after stand at the door and look as if thou soughtest a place wherein to make water, for that there is a dark corner there. Then come forward, with a heart stouter than granite, and lay hold upon a jar of the jars and raise it from its place. Thou wilt find under it the skirt of a veil; bring it out publicly and call the prefect in a loud voice, before those who are present. Then open it and thou wilt find it full of blood, exceeding of redness, (103) and in it [thou wilt find also] a woman's shoes and a pair of trousers and somewhat of linen." When I heard this from her, I rose to go out and she said to me, "Take these hundred dinars, so they may advantage thee; and this is my guest-gift to thee." So I took them and bidding her farewell, returned to my lodging. Two months after this occurrence, there came to me one of the Cadi's officers, with a scroll, wherein was the magistrate's writ, summoning me to him. So I accompanied the officer and went in to the Cadi, whereupon the plaintiff, to wit, he who had taken out the summons, sued me for two thousand dirhems, avouching that I had borrowed them of him as the woman's agent. (117) I denied the debt, but he produced against me a bond for the amount, attested by four of those who were in company [on the occasion]; and they were present and bore witness to the loan. So I reminded them of my kindness and paid the amount, swearing that I would

never again follow a woman's counsel. Is not this marvellous?'.? ? ? ? ? Were I cut off, beloved, from hope of thy return, Slumber, indeed, for ever my wakeful lids would flee..Then she turned to her father and said to him, 'Give ear unto that which I shall say to thee.' Quoth he, 'Say on;' and she said, 'Take thy troops and go to him, for that, when he heareth this, he in his turn will levy his troops and come forth to thee; whereupon do thou give him battle and prolong the fighting with him and make a show to him of weakness and giving way. Meantime, I will practise a device for winning to Tuhfeh and delivering her, what while he is occupied with you in battle; and when my messenger cometh to thee and giveth thee to know that I have gotten possession of Tuhfeh and that she is with me, do thou return upon Meimoun forthright and destroy him, him and his hosts, and take him prisoner. But, if my device succeed not with him and we avail not to deliver Tuhfeh, he will assuredly go about to slay her, without recourse, and regret for her will abide in our hearts.' Quoth Iblis, 'This is the right counsel,' and let call among the troops to departure, whereupon an hundred thousand cavaliers, doughty men of war, joined themselves to him and set out for Meimoun's country..Then she drank three cups and filling the old man other three, sang the following verses: Three Men and our Lord Jesus, The, i. 282..? ? ? ? ? But on no wise was I affrayed nor turned from love of her; So let the railer rave of her henceforth his heart's content..As for Zubeideh, she went in to the Khalif and talked with him awhile; then she fell to kissing him between the eyes and on his hand and asked him that which she had promised Sitt el Milah, saying, "O Commander of the Faithful, I doubt me her lord is not found in this world; but, if she go about in quest of him and find him not, her hopes will be cut off and her mind will be set at rest and she will sport and laugh; for that, what while she abideth in hope, she will never cease from her frowardness." And she gave not over cajoling him till he gave Sitt el Milah leave to go forth and make search for her lord a month's space and ordered her an eunuch to attend her and bade the paymaster [of the household] give her all she needed, were it a thousand dirhems a day or more. So the Lady Zubeideh arose and returning to her palace, sent for Sitt el Milah and acquainted her with that which had passed [between herself and the Khalif]; whereupon she kissed her hand and thanked her and called down blessings on her..? ? ? ? ? Repression's draught, by cups, from the beloved's hand I've quaffed; with colocynth for wine she hath me plied..? ? ? ? ? "How many a cup with bitterness o'erflowing have I quaffed! I make my moan of woes, whereto it boots not to repine."
